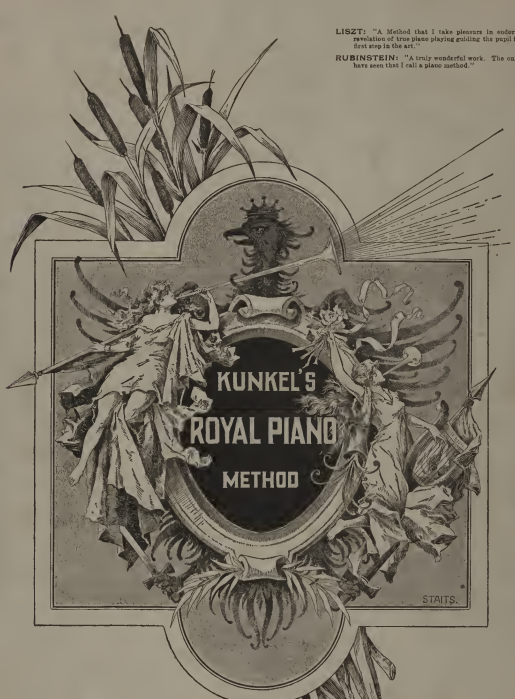
LISZT: "A Method that I take pleasure in endorsing. A revelation of true piano playing guiding the pupil from the first step in the art."

RUBINSTEIN: "A truly wonderful work. The only one I have seen that I call a piano method."



PADEREWSKI: "The hidden secrets of piano playing are plainly revealed. The article on pedaling and the pedal exercises are priceless gems."

ROSENTHAL: "A Method that should be in every house possessing a piano. As a reference book alone, it is worth tenfold its price."

Published in Three Parts (Paper Covers). Also published Complete in Cloth Binding.
